

## Order list different journeys

Why create an order list? If you are a customer who frequently orders on our website, this is very useful, especially if you often order the same items.

### **Save time by creating your own list.**

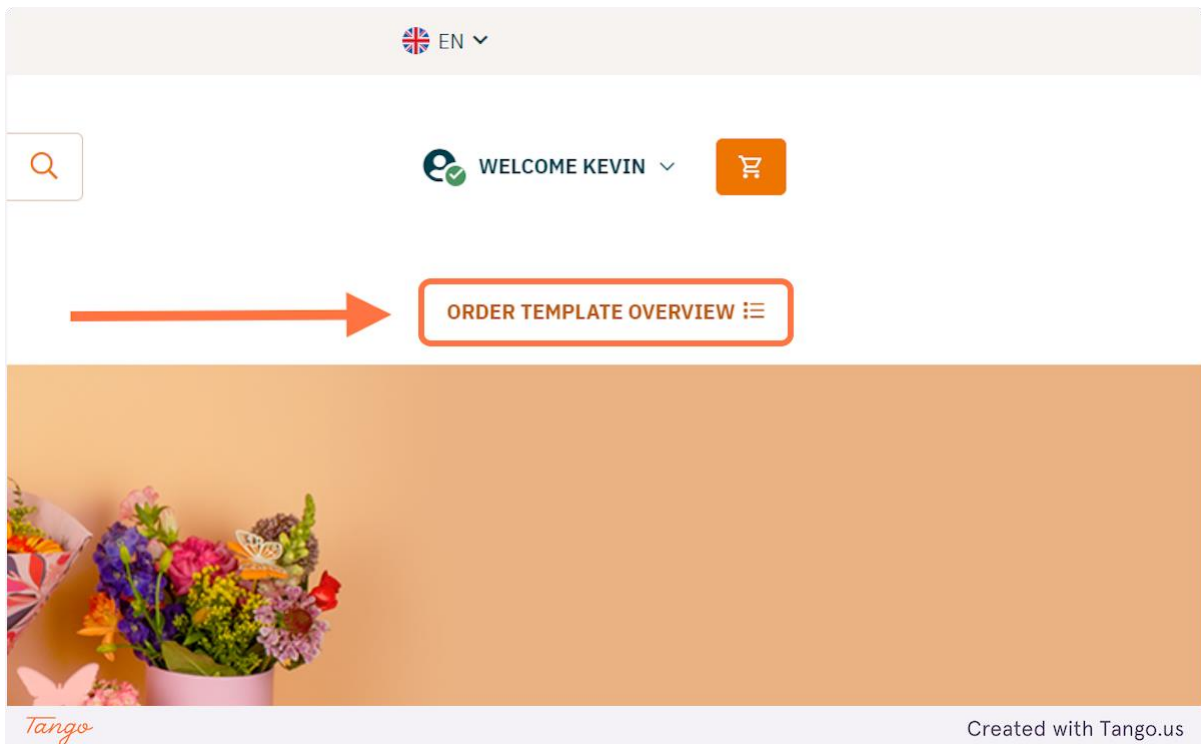

- Create multiple lists of your own. Useful for segmenting.
- You can easily and quickly checkout.
- See your most ordered products.

### **Here are several tutorials:**

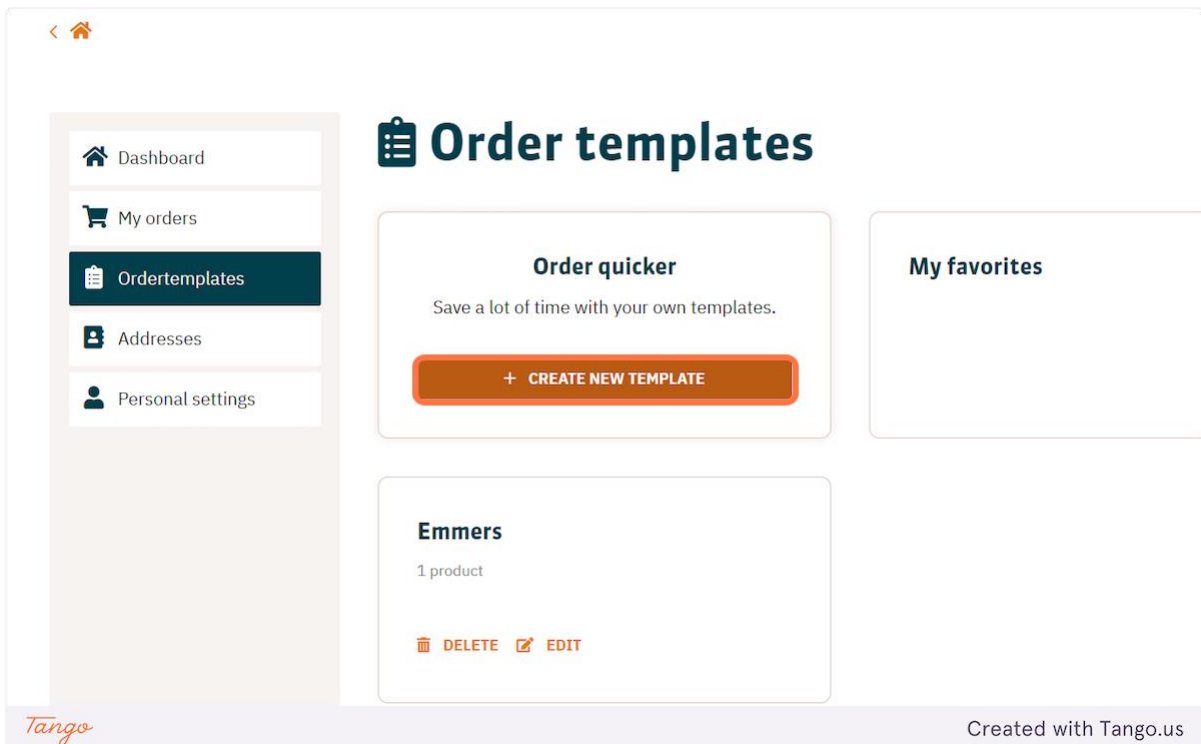

- How do I create an order list?
- You want to add products to your order list
- Creating an order list from your shopping basket

Go to [https://www.broekhof.nl/en\\_US/](https://www.broekhof.nl/en_US/) and log in.

1. Click on ORDER TEMPLATE OVERVIEW

2. Click on CREATE NEW TEMPLATE

### 3. Give your template a name and click on SAVE

The screenshot shows a web application interface for creating a new order template. At the top, there is a search bar with the placeholder text "Search for products.." and a magnifying glass icon. To the right of the search bar, there is a "WELCOME" message with a green checkmark icon. Below the search bar, there is a navigation menu with links for "OUT US", "SUSTAINABILITY", "WAREHOUSES", and "CONTACT". A "ORDER TEMP" button is visible in the top right corner. The main content area is titled "New Order Template" and features a form with a "Name" label and a text input field containing the word "Buckets". Below the input field, there are two buttons: "BACK" and "SAVE". An orange arrow points from the "BACK" button towards the "SAVE" button. On the left side of the form, there is a sidebar menu with options: "Dashboard", "My orders", "Order templates" (which is highlighted), "Addresses", and "Personal settings". At the bottom of the page, there is a footer with the text "Tango" on the left, "Sign up for our newsletter" in the center, and "Created with Tango.us" on the right.

**Your order list is now created, you can add products to your order list.**

# You want to add products to your order list

## 1. Click on the product you want to add
